Experience history in action at *Titanic: The Experience*. Step back in time 100 years and get a sense of what it was like to have been a passenger on the ill-fated journey known simply by one word, "Titanic". Stroll through the full-scale recreations of famous Titanic rooms. Step out onto the Promenade Deck and feel the chill of the cold Atlantic air as you gaze up at the stars. The guided interactive tour shows us the passenger liner that sank into the icy waters of the North Atlantic Ocean in April 1912. For lunch, we will savor the many salads, homemade soups, and mouthwatering muffins at *Sweet Tomatoes Restaurant*. Don't miss it!
